Key

Help

API keys enable you to write data to a channel or read data from a private chan
keys are auto-generated when you create a new channel.

API Keys Settings

- **Write API Key**: Use this key to write data to a channel. If you feel your key
  been compromised, click **Generate New Write API Key.**
- **Read API Keys**: Use this key to allow other people to view your private cha
  feeds and charts. Click **Generate New Read API Key** to generate an additio
  read key for the channel.
- **Note**: Use this field to enter information about channel read keys. For exa
  add notes to keep track of users with access to your channel.
